

Chapter 1: The Judiciary

Rule 1.1 - The Administrative Judge

- A. The Administrative Judge shall have full control over the administration, docket, and calendar of the court, pursuant to [Sup. R. 4](#).
- B. The Administrative Judge shall be elected annually by a majority vote of the judges of the court. An incumbent administrative judge may be elected to consecutive terms. The term of office shall be the calendar year. Upon election and before commencement the Administrative Judge shall notify the Chief Justice of the Supreme Court of Ohio of his election.
- C. The Administrative Judge shall cause cases to be assigned to judges as required by the Rules of Superintendence and the DMCR. The Administrative Judge shall require reports from each judge concerning the status of assigned cases to assist him in the discharge of his responsibility to the Supreme Court of Ohio and in the implementation and application of the Rules of Superintendence for the timely termination of the case.
- D. The Administrative Judge may be relieved of a part of his trial duties during his term of office to permit him to utilize a part of his time to manage the calendar and docket of the court.

Rule 1.2 – The Election of the Administrative Judge

The election of the Administrative Judge for the following year will be held at the December Joint Session of the Judges of the Dayton Municipal Court. This will allow for the adjustment in assignment of cases for the following year. In the event of a vacancy in the office of Administrative Judge caused by resignation or otherwise, such vacancy during a particular term shall be filled by a vote of the majority of the remaining judges. Said election shall occur within ten (10) days after such vacancy.

Rule 1.3 – Acting Administrative Judge

The Administrative Judge shall designate the judge or judges who shall be the Acting Administrative Judge in the absence of the Administrative Judge.

Rule 1.4 – Unavailability of Judge

Rule 1.5 – Public Use of Courtrooms

- A. Questions of the admission of persons to a courtroom shall be within the province of the judge to whom that courtroom is assigned and within the guidelines of public access to all court proceedings consistent with the order and dignity of the court.
- B. No recordings shall be made of any court proceedings without approval of the Judge conducting the proceeding and pursuant to the Rules of Superintendence.

Chapter 2: General Rules

Rule 2.1 – Definition of True Lot

The method employed by the Dayton Municipal Court for the individual assignment of cases to judges is known as a "true lot". A true lot is defined as the possibility of each case having any one of the judges sitting on the Dayton Municipal Court bench assigned to that case.

Rule 2.2 – Assignment to an Individual Judge

- A. A civil case will be assigned by true lot to an individual judge upon the filing of an answer or motion other than a motion for default judgment, a Petition for a BMV Reinstatement Fee Payment Plan, or a Petition for Driving Privileges during a BMV Suspension for FRA.
- B. A misdemeanor criminal or traffic case shall be assigned by true lot to a judge when a plea of "not guilty" or "not guilty by reason of insanity" is entered, except:
 1. A misdemeanor criminal or traffic case shall be assigned to the judge who:
 - a. is assigned to another open case for the same defendant or
 - b. placed the same defendant on supervised probation and has not terminated probation by court entry.
- C. When a case has been assigned to an individual judge, that judge shall be responsible for the determination of every issue and proceeding in that case until its termination.
- D. Upon execution of a waiver by the defendant, a minor misdemeanor or a traffic case assigned to a judge will be referred to a magistrate.
- E. Any modifications to assignment by true lot shall be in accordance with Divisions (B)(1)(a) to (c) of Sup.R. 36

Rule 2.3 – Particular Sessions

A particular session of the court is one in which cases are assigned by subject category rather than by the individual assignment system. The following particular sessions are established:

- A. Initial Appearance in Felony Cases
- B. Traffic Arraignment
- C. Criminal Arraignment
- D. Civil Cases in Which any of the following is Filed:
 1. A Motion for Default Judgment
 2. A Petition for BMV Reinstatement Fee Payment Plan
 3. A Petition for Driving Privileges during BMV Suspension for FRA
- E. Preliminary Hearings
- F. Forcible Entry and Detainer Actions
- G. Small Claims
- H. Cases where a party has made application to, or has been accepted into, a specialized court or docket.

All particular sessions shall be heard pursuant to an administrative order of the Administrative Judge of the Dayton Municipal Court.

Rule 2.4 – Duration of Assignment to Particular Session

Pursuant to Sup. R. 36, the Administrative Judge shall equally apportion particular session assignments among all judges.

Rule 2.4.1 – Housing Docket

Upon the original filing of a housing violation case, the case shall be referred to the Housing Docket. The Judges of the Court shall annually select a Judge to hear the cases on the Housing Docket. Such judge shall serve for a period of one year, beginning on the first day of January.

Rule 2.4.2 – Dayton Regional Mental Health Court Docket

Establishment of the Dayton Regional Mental Health Court Docket.

The Dayton Municipal Court established a mental health docket, “the ACCESS II Mental Health Docket”, in 2003. It is the goal of the ACCESS II Mental Health Program to reduce recidivism among defendants with mental and behavioral health issues who face criminal charges in the justice system; to reduce periods of incarceration by defendants with mental and behavioral health issues; and to provide meaningful psychological treatment intervention to these defendants so they may lead crime-free, stable, and healthy lives free from hospitalization. The Judges of the Dayton Municipal Court annually select a judge to hear the cases on the ACCESS II Mental Health Docket. The Mental Health Docket Judge serves for a period of one year, beginning on the first day of January.

The Court now finds that this Mental Health Docket is governed by Sup.R.36.20 for Specialized Dockets and orders the implementation of the Specialized Docket Standards. The Court further orders that the name of the ACCESS II Docket be changed to: “The Dayton Regional Mental Health Court Docket.”

Placement on the Dayton Regional Mental Health Court Docket.

To qualify for the Dayton Regional Mental Health Court Docket, a criminal defendant must meet the following legal criteria: be a resident of Montgomery County; be charged with a criminal misdemeanor charge pending in a municipal court within Montgomery County, have a persistent and severe mental illness which would benefit from court monitored treatment; be referred by the judge assigned to the criminal case; and desire to voluntarily enter the ACCESS II Program. Application for placement in the ACCESS II Program shall be subject to initial assessment by the ACCESS II Roundtable (treatment team) based upon the legal and clinical criteria for entering the ACCESS II Program and the approval of the Docket judge. Persons charged with traffic offenses are ineligible for the ACCESS II Program. Any legal issues regarding competency to stand trial or insanity defenses must be resolved before a defendant can enter the Dayton Regional Mental Health Court Docket. Upon referral to the ACCESS II Program, the defendant receives a diagnostic evaluation to confirm that he/she meets clinical criteria. Clinical criteria includes: a diagnosis that is consistent with a severe and persistent mental illness; sufficient stability to understand and comply with program requirements; and the criminal defendant must not pose an unacceptable risk to program staff, family or community. The ACCESS II Roundtable will determine if the defendant qualifies for the ACCESS II Program, subject to the final approval of the Docket Judge.

Case Assignment.

Upon acceptance into ACCESS II, the defendant enters a plea of guilty and the Dayton Regional Mental Health Court Docket Judge imposes supervised community control and a jail sentence suspended pending successful completion of the ACCESS II Program. After entering the ACCESS II Program, the case is transferred to the Dayton Regional Mental Health Court Docket. If the criminal defendant does not enter the ACCESS II Program, then the case is returned to the original referring court to proceed on that court’s docket. The judge presiding over the Dayton Regional Mental Health Court Docket has the

responsibility for case management of all cases transferred to the Docket. In the event the criminal defendant is unsuccessfully terminated from the ACCESS II Program, all or part of the defendant's criminal sentence may be imposed.

Docket Case Management.

Criminal defendants accepted into ACCESS II will participate in counseling for mental health (individual and/or group sessions) and for substance abuse, if appropriate. The treatment plan may also include obtaining stable housing and reliable transportation, completing high school or obtaining a GED, participating in vocational assessment and entering appropriate training, attempting to obtain and/or maintain employment (either part or full time). The Dayton Regional Mental Health Court Program Description, Participant Handbook, and Participation Agreement (as amended from time to time) are incorporated by reference.

Termination from ACCESS II.

Upon successful completion of the ACCESS II Program, the criminal defendant is graduated and his or her charges may be dismissed. If the criminal defendant violates the terms of ACCESS II, a Notice of Violation is filed and a Hearing is scheduled. In the event the Court finds that the terms of the ACCESS II Program have been violated and the defendant should no longer continue, the defendant is terminated from the ACCESS II Program and all or part of the criminal sentence is imposed. A criminal defendant may be neutrally discharged if he or she is no longer capable of completing the ACCESS II Program.

Rule 2.5 – Assignment of Felony Cases for Preliminary Hearing

Felonies will be set for preliminary hearing within the time limits provided by law and in a particular session.

Rule 2.6 – Assignment of Multiple Misdemeanor and Traffic Cases

On a plea of not guilty in multiple related cases, these cases may be grouped for assignment to the same judge. Cases relating to different defendants, even if arising out of the same transaction, shall be separately assigned unless a motion for consolidation had been granted by the Administrative Judge.

Rule 2.7 – Assignment of Expungement Cases

Expungement motions shall be assigned for decision to the judge before whom the defendant previously appeared or the judge's successor or by true lot. Motions for expungement without the defendant's date of birth, social security number, and current address will not be accepted for filing.

Rule 2.8 – Reassignment of Cases

After a case has been individually assigned pursuant to Sup. R. 36, it shall not be reassigned to another judge without a proper recusal entry. All transfers of assignments should be effected by a properly recorded entry of the Administrative Judge.

Rule 2.9 – Courtroom Assignment

Judges are assigned to courtrooms and sessions, both general and particular, by order of the Administrative Judge.

Rule 2.10 – Media Coverage of Court Proceedings

1. ASSIGNED JUDGE:

- D. Visible audio recording equipment may be used by news media reporters with the prior permission of the judge.
- E. Arrangements between or among media for "pooling" of equipment shall be the responsibility of the media representative authorized to cover the proceeding. "Pooling" arrangements are to be made outside the courtroom and without imposing on the judge or court personnel. If disputes arise over arrangements between or among media representatives, the judge may exclude all contesting representatives from the proceedings.
- F. The judge shall prohibit the use of electronic or photographic equipment that produces distracting sound or light. No artificial lighting other than that normally used in the courtroom shall be employed, provided that, if the normal lighting in the courtroom can be improved without becoming obtrusive, the judge may permit modification
- G. Still photographers and television and radio representatives shall be afforded a clear view but shall not be permitted to move about in the courtroom during court proceedings from the places where they have been positioned by the judge, except to leave or enter the courtroom.

4. LIMITATIONS:

- A. There shall be no audio pickup or broadcast of conferences conducted in a court facility between attorneys and clients or co-counsel or of conferences conducted at the bench between counsel and the judge.

 - C. Jurors shall not be filmed, videotaped, recorded, or photographed without permission of the judge.
 - D. Media representatives shall not be permitted to transmit or record anything other than the court proceedings from the courtroom while the court is in session.
 - E. This rule shall not be construed to grant media representatives any greater rights than permitted by law.
5. REVOCATION OF PERMISSION:
Upon the failure of any media representative to comply with the conditions prescribed by this rule or the judge, the judge may revoke the permission to broadcast or photograph the trial, hearing, arraignment or other proceeding.
6. OTHER MEDIA REQUESTS FOR BROADCASTING OR PHOTOGRAPHING IN THE COURTHOUSE:
A media representative may request permission to broadcast, televise, record, or take photographs in the courthouse for general story purposes. If the request is approved, the Court Administrator shall specify the time and place in the courthouse where the equipment may be used.
7. MEDIA REQUESTS TO INTERVIEW COURT EMPLOYEES:
A media representative may request to interview a court employee regarding an incident or story that involves the employee in his or her course of business as a representative of the court. No interview shall be granted until a "Request for Interview" form has been forwarded to the Court Administrator for review and approval. In no event shall the file be removed for longer than three (3) days, except by court personnel.

By order of a judge of this court, any exhibit may be returned to the witness or party by whom it was produced after the substitution of a photostatic copy thereof; provided, however, that such order may dispense with such substitution in the case of an original record, paper, or object taken from the custody of a public officer which is being returned to such officer, or in the case of an exhibit used only in making proof against a party whose default has been entered, or when a receipt shall be given, or when a written stipulation of all the parties consenting thereto is filed. The application for such an order shall be supported by an affidavit stating all the pertinent facts, except where it is made on stipulation.

The Clerk shall, upon request, furnish extra copies of pleadings or other papers upon the payment of a reasonable fee.

The failure of any person to appear for examination or to hold funds, as directed under proceedings in Aid of Execution, shall be grounds for the issuance of a citation in contempt against said person. Such citation shall be issued on forms prescribed by the court and heard by the civil magistrate.

On motion reciting that personal service of the proceedings in Aid of Execution was made upon the person who failed to appear or to hold funds as directed therein, an order may issue for the appearance forthwith of said person to show cause why he should not be punished for contempt of court.

[Rule 2.21.1 – Court Public Record Policy and Fee for CD](#)

Mission

The Dayton Municipal Court (the Court) and the City of Dayton are committed to openness as a foundation for a better informed citizenry, which leads to better government and better public policy. Consistent with the premise that government at all levels exists first and foremost to serve the interests of the people, it is the mission and intent of the Court to at all times, fully comply with and abide by both the spirit and the letter of Ohio's Public Records Act and the City of Dayton Public Records Policy.

Defining Public Records

All records kept by the Court are public unless they are exempt from disclosure under Ohio law. All public records must be organized and maintained in such a way that they can be made available for inspection and copying. In accordance with the Ohio Revised Code, a record is defined to include the following: A document in any format – paper, electronic (including, but not limited to, business email) – that is created, received by, or comes under the jurisdiction of the Court that documents its organization, functions, policies, decisions, procedures, operations, or other activities, unless exempt from disclosure under Ohio law, including the Rules of Superintendence for the Courts of Ohio.

Response Timeframe

Public records are to be available for inspection during regular business hours, with the exception of published holidays. Public records must be made available for inspection promptly. Copies of public records must be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; and the necessity for any legal review and redaction of the records requested.

Public record requests for Dayton Municipal Court records shall be made through the Court Administrator's Office. The Court Administrator shall then submit the public record request to the City of Dayton. It is the goal of the City of Dayton that all requests for public records should be acknowledged in writing or, if possible, satisfied within 10 business days following the City's receipt of the request. Each request will be evaluated for an estimated length of time required to gather the records. If a request is deemed significantly beyond "routine," an acknowledgement must be forwarded to the requester indicating the estimated number of business days it will take to satisfy the request and an estimate of the costs involved.

Handling Requests

Although no specific language is required to make a request for public records, the requester must at least identify the records requested with sufficient clarity to allow the Court and the City to identify, retrieve, and review the records. If it is not clear what records are being sought, the records custodian must contact the requester for clarification, and should assist the requester in revising the request by informing the requester of the manner in which the office keeps its public records.

The requester does not have to submit a records request in writing, and does not have to provide his or her identity or the intended use of the requested public record. It is the City of Dayton's policy that this information is not generally to be requested. However, the law does permit the records custodian to ask for a written request, the requestor's identity, and/or the intended use of the information requested, but only (1) if a written request or disclosure of identity or intended use would benefit the requestor by enhancing the ability to identify, locate, or deliver the public records that have been requested; and (2) after informing the requestor that a written request is not required and that the requester may decline to reveal the requestor's identity or intended use.

In processing the request, the Court does not have an obligation to create new records or perform new analysis of existing information. An electronic record is deemed to exist so long as a computer is already programmed to produce the record through simple sorting, filtering, or querying. Although not required by law, the Court may accommodate the requestor by generating new records when it makes sense and is practical under the circumstances.

In processing a request for inspection of a public record, a Court employee must accompany the requester during inspection to make certain original records are not taken or altered. A copy of the most recent edition of the Ohio Sunshine Laws manual is available via the Attorney General's website (www.ohioattorneygeneral.gov) for the purpose of keeping employees and the public educated as to the Court's obligations under the Ohio Public Records Act, Open Meetings Act, records retention laws, and Personal Information Systems Act. The Court also has obligations under the City of Dayton Public Records Policy, and Sections 44 through 47 of the Rules of Superintendence for Ohio Courts.

Electronic Records

Records in the form of electronic digital recordings of court proceedings, as well as other electronic records, are to be treated in the same fashion as records in other formats. (See City of Dayton Public Records Policy on Electronic Records).

Denial or Redaction of Records

If the requester makes an ambiguous or overly broad request for public records, the request may be denied. The denial, however, must provide the requester an opportunity to revise the request by informing the requester of the manner in which records are maintained and accessed by the Court. Any denial of public records requested must include an explanation, including legal authority. If the initial request was made in writing, the explanation must also be in writing. If portions of a record are public and portions are exempt, the exempt portions may be redacted and the rest released. When making public records available for public inspection or copying, the requester shall be notified of any redaction or the redaction shall be made plainly visible. If there are redactions, each redaction must be accompanied by a supporting explanation, including legal authority.

Copying and Mailing Costs

Those seeking public records will be charged for the costs of making copies, not labor. The requester may choose whether to have the record duplicated upon paper, upon the same medium in which the public record is kept, or upon any other medium on which the Court or City determines that the record can reasonably be duplicated as an integral part of the Court's normal operations.

The charge for paper copies of Court records is \$0.10 per page. If the requester requests a copy of an electronic digital recording of a court proceeding, the information shall be supplied on compact disc at a cost of \$3.00 per disc.

A requester may be required to pay in advance for costs involved in providing the copy. If a requester asks that documents or compact discs be mailed, they may be charged the actual cost of the postage and mailing supplies. The City of Dayton reserves the right to collect outstanding costs accumulated from previous request(s) before providing responses to new requests from the same requester.

Questions concerning copying and mailing costs should be directed to the City of Dayton.

Managing Records

All Dayton Municipal Court records are subject to the current Court Record Retention Disposition Schedule found in Dayton Municipal Court Rule (DMCR) 2.21. DMCR 2.21 is available through the Court Administrator's Office and the Court's website (<https://www.daytonmunicipalcourt.org>).

All general questions concerning requests for Court public records may be directed to the Court Administrator.

Rule 2.22 – Practice Before the Court

Only attorneys regularly admitted to the practice of law in the State of Ohio or those certified to specially practice by the Supreme Court of Ohio or those authorized by the court shall be permitted to practice in this court. This rule shall not prohibit a party from acting as his or her own counsel in any proceeding in this court.

Rule 2.23 – Withdrawal of Change of Trial Attorney

- A. Withdrawal of Trial Counsel: No attorney who entered his or her appearance in any court shall withdraw except by an entry of the court and upon a showing of good cause. Withdrawal of counsel shall not be permitted within five (5) court days of any hearing assignment.
- B. Change of Trial Counsel: Change of trial counsel will be permitted by the judge assigned to the case only upon the filing of an entry containing the designation of new trial counsel and provided such change will not delay the trial.

Rule 2.23.1 – Assignment of Counsel

When the Court determines that a defendant is legally entitled to counsel and is unable to obtain one pursuant to Crim.R. 44, the Court shall appoint either an attorney from the Mont. Co. Public Defender's Office or private counsel to represent the defendant.

Rule 2.23.2 – Appointed Counsel

The Court maintains lists of attorneys in private practice for appointment to represent indigent defendants in criminal and traffic cases. The lists are based on the master list maintained by the Montgomery County Common Pleas Court of attorneys who are qualified to serve as appointed counsel.

To ensure equitable distribution of appointments, the lists are arranged alphabetically and the attorneys are contacted in that order until an attorney is reached that can take the case. When selecting the attorney to be appointed, the attorney's skill and expertise in handling that type of criminal case and the attorney's management of his or her current caseload may be considered, pursuant to Sup. R. 8. Periodically, the lists are reviewed for equitable distribution of appointments. The manner and rate of compensation for appointed counsel is available through the Court Administrator's Office.

- H. COUNTERCLAIMS ON FIRST CAUSE OF ACTION. All claims raised by the plaintiff/owner shall be consolidated with any counterclaims by the defendant (tenant) related to the first cause for restitution. The tenant shall also deposit with the Clerk of Court all rent claimed by the plaintiff to be due and owing, unless this requirement is waived upon a showing of good cause.

If the defendant (tenant) fails to vacate or remove personal property from the premises after restitution is granted by the Court, the plaintiff/owner may initiate a Writ of Restitution within 30 days from the date of the Entry of Restitution, by posting the required fee for the Writ with the Clerk of Court. The 30-day deadline for initiating the Writ may be stayed upon written approval of the Court. Upon receipt of the Writ of Restitution, the Bailiff's Office shall contact the plaintiff/owner to set a specific date for the defendant (tenant) to be evicted and the premises restored to the owner. If the defendant (tenant) vacates the premises before the scheduled eviction date, the plaintiff shall immediately notify the Bailiff's Office.

 2. The tenant must vacate and remove all personal property before the date of eviction;
 3. On the date of eviction the tenant will be forcibly evicted; and
 4. Any personal property not removed before the date of eviction will be considered abandoned and subject to removal and disposal by the owner of the premises or the landlord.
- L. ABANDONED PROPERTY AFTER EVICTION. After the defendant (tenant) has been evicted and the premises restored, it shall be the responsibility of the plaintiff/owner to remove and lawfully dispose of any litter or abandoned personal property. The plaintiff may hire a company to assist with the removal and disposal. The Court shall not recommend a company. No items may be set out for bulk trash pick-up without first contacting the Department of Public Works for permission and scheduling a pick-up date. Any items scheduled for pick-up must be set out in accordance with Bulk Waste Pick-up Guidelines. Failure to properly dispose of abandoned personal property after an eviction is a violation of R.C.G.O. 93.46.1. Each day the violation continues constitutes a separate offense. The plaintiff/owner shall be responsible for any violations, regardless of who performed the removal or disposal. In addition to any penalties, the Court may order the plaintiff/owner to pay restitution to the City for cleaning up the property.
- M. LIABILITY FOR A TENANT'S PERSONAL PROPERTY. Neither the Court nor any Court employee shall assume liability for any tenant's personal property removed or disposed of after an eviction. The plaintiff/owner should seek legal advice if there is a question on whether to remove or dispose of a tenant's personal property.
- N. SECOND CAUSE FOR MONEY DAMAGES. The Second Cause for Money Damages will be ordered continued at the First Cause for Restitution Hearing. Upon the timely filing of a written answer, a Hearing (trial) shall be set on the Second Cause for Money Damages. Any related counterclaims raised by the defendant (tenant) shall be served upon the plaintiff/owner or their attorney and shall be consolidated for hearing (trial) with the Second Cause for Money Damages. Failure to file a timely written answer to the Second Cause, as directed in the summons, may result in a judgment against the defendant (tenant) for money damages. If plaintiff/landlord files a motion for default or summary judgment, documentary evidence such as invoices, affidavits, photos, etc., establishing the amount of damages, must be attached to the motion. Failure to attach supporting documentary evidence will delay judgment and can cause judgment to be denied.
- O. MEDIATION. Parties may mediate either the first or second cause of the eviction action. See DMCR 3.14, Mediation, for the process and procedures involved in the mediation of the first and second causes of eviction cases.

Rule 3.8 – Execution, Sales, Confirmation

- A. DEPOSIT FOR EXECUTION: Before requesting a writ be issued on an execution or any other process against personal property, an amount sufficient to pay the cost of moving, towing, storing, appraising, advertising, or selling the personal property shall be deposited with the Clerk to secure such expenses. The amount of deposit on an execution (levy) shall not be less than six hundred dollars (\$600) per vehicle or property and may be more depending on the costs associated with the execution.
- B. SALE: A copy of the notice of the sale of personal property shall be mailed by the bailiff to the parties and to the attorneys of record in the case by ordinary mail; however, failure to mail such notice shall not invalidate the sale.
- C. CONFIRMATION: Entries of confirmation and distribution shall be prepared by the party who requested the sale and shall contain a statement that the sale was regular and proper in every respect, unless otherwise directed by the court, and also a statement of the balance, if any, due upon judgment.

Rule 3.9 – Arbitration Medical, Dental, Optometric, Chiropractic Claims

Upon the filing of any medical, dental, optometric, or chiropractic claim as defined in division (D) of O.R.C. 2305.11, if all the parties to the medical, dental, optometric, or chiropractic claim agree to submit it to nonbinding arbitration, the controversy shall be submitted to any arbitration board as provided below.

- A. Appointment of Arbitration Board to Hear Medical, Dental, Optometric, and/or Chiropractic Claims:
 - 1. Medical, dental, optometric, and/or chiropractic malpractice claims shall be submitted to an arbitration board consisting of three arbitrators to be named by the Court.
 - a. The chairperson, herein the arbitrator, of the medical, dental, optometric, and/or chiropractic malpractice arbitration panel shall be appointed by the Court.
 - b. There shall be two associate arbitrators selected as set forth in paragraph (D) of this rule.
 - 2. The arbitrator and associate arbitrators will receive a reasonable compensation based on the extent and duration of actual service rendered, as set forth in paragraph (P) of this rule, pursuant to O.R.C. 2711.21(A).
 - 3. The arbitrator and associate arbitrators will be officers of the Court and shall be sworn or affirmed to justly and equitably try all matters properly at issue before them. Such oath or affirmation may be administered to him by any person having the authority to administer oaths.
- B. Case for Arbitration
 - 1. Upon filing a medical, dental, optometric, and/or chiropractic malpractice claim as defined in O.R.C. 2305.11, the case shall first be assigned pursuant to DMCR 2.2. The

assigned judge will make a determination of poverty if a poverty affidavit and written motion was filed with the claim and upon the filing of an answer, assign the case to the arbitrator, who will assume all responsibility for the disposition of the case through the arbitration process, except those matters which require judicial resolution, i.e., discovery disputes, pre-trial motions, etc.

2. In cases involving issues of both malpractice and other non-related claims, the issues may, upon application to the assigned judge, be bifurcated. The non-related claim will be maintained by the assigned judge for purposes of disposition.

C. Duties of Arbitrator

1. The arbitrator shall upon receipt of a medical, dental, optometric, and/or chiropractic malpractice case:
 - a. Assign the case for a scheduling conference. The parties may at any time waive their rights to arbitration; provided that, any party who waives this right less than two weeks before an arbitration hearing shall be assessed an arbitration fee for one full day in accordance with paragraph (P) of this rule. If both parties waive the right to arbitration, the case will be referred back to the assigned judge for trial.
 - b. Designate deadline for appointment of associate arbitrators.
 - c. Designate discovery cut-off deadlines. d) Designate an arbitration hearing date.
 - d. Do all other things necessary for the orderly disposition of the case.

D. Appointment of Associate Arbitrators

1. There shall be one associate arbitrator appointed by plaintiff(s) and one appointed by the defendant(s). In the situation where there are multiple defendants and agreement cannot be reached among them on the name of their associate arbitrator, then application will be made to the assigned judge of this Court for selection of this associate arbitrator from the names submitted to him.
2. If either of the parties fails to submit a name of a prospective associate arbitrator within the time prescribed, the assigned judge, upon motion, may appoint an associate arbitrator for the party or parties failing to comply.
3. The parties, at any time prior to the designated deadline for appointment of associate arbitrators, may waive their right to associate arbitrators and present the case to the arbitrator appointed as the chairperson arbitrator. In this event, the arbitrator's decision and testimony shall have the same effect in the disposition of subsequent trial of the case as would a decision from a full arbitration panel.
4. Exceptions to an arbitrator shall be raised by motion filed within five (5) days of the mailing of the notice of assignment and shall be heard by the assigned judge.

E. Composition of Board & Disqualification From Appointment

No business or professional associate of any party shall be appointed as an associate arbitrator and no attorney who is a law partner or associate of an attorney of record in the case shall be appointed as an associate arbitrator.

F. Discovery

The assignment of a case to an arbitration panel shall not limit the right of the parties to continue discovery pursuant to the Ohio Rules of Civil Procedure.

G. Hearings/When and Where Held/Notice

1. Hearings shall be held at a place scheduled by the arbitrator.
2. No hearing shall be fixed for Saturdays, Sundays, legal holidays, or evenings, except upon agreement of all parties and the arbitrators.
3. There shall be no communications by counsel or the parties with the arbitrators concerning the merits of the controversy during pendency of the case, except as provided for by these rules.

H. Oath of Associate Arbitrators

1. When both associate arbitrators are assembled, they shall be sworn or affirmed to justly and equitably try all matters properly at issue submitted to them.
2. Such oath or affirmation may be administered to them by any person authorized to administer oaths.

I. Default of Party

1. The arbitration may proceed in the absence of any party who, after due notice, fails to be present or fails to obtain a continuance.
2. An award shall not be made solely on the default of the party. The panel shall require the other party to submit evidence as they may require for the making of an award.

J. Conduct of Hearing/General Powers

1. The three (3) members of the panel shall be the judge of the relevancy and materiality of the evidence offered and conformity to legal rules of evidence shall not be necessary.
2. All evidence shall be taken in the presence of the arbitrators and all the parties, except where any of the parties has voluntarily absented themselves, have been found to be in default, or have waived their right to be present.
3. In addition to oral testimony, the arbitration panel may receive the evidence of witnesses by affidavit, deposition, videotape deposition, interrogatories, or written report and shall give it such weight as the panel deems is justified after consideration of any objections which may be made to such evidence.

4. Where a party proposes to offer affidavits or written reports at an arbitration hearing, the party shall furnish copies of such affidavits or reports to all other parties not less than sixty (60) days in advance of the hearing. Such other parties shall have the right to cross-examine the author of the affidavit or report by subpoenaing him to appear at the hearing or by taking his deposition in advance of the hearing.
5. Counsel shall, upon request and whenever reasonable, produce a party or witness at the hearing without the necessity of subpoena.
6. All parties have the right to submit trial briefs to the arbitration panel prior to or at the time of the commencement of the arbitration hearing.
7. No disclosure shall be made to the arbitrators prior to the filing of the report and aware of any offers of settlement made by any party. By mutual consent, the parties may waive this restriction as it pertains to the arbitrator. This would allow the arbitrator to participate in the pre-arbitration settlement conferences.

K. Specific Powers

The panel shall have the general powers of a court, including, but not limited to, the following:

1. Subpoena: To cause the issuance of subpoenas to witnesses to appear before the panel and to request the issuance of an attachment according to the practice of the courts for failure to comply therewith. Subpoenas will be issued in the same manner as in all other cases.
2. Production of Documents: To compel the production of all books, papers, and documents that are deemed material to the case.
3. Administration of Oaths, Admissibility of Evidence: To administer oaths or affirmations to witnesses, to determine the admissibility of evidence, to permit testimony to be offered by the depositions and to decide the law and the facts of the case submitted to the panel.

L. Witness Fees

Witness fees shall be in the same amount as now or hereafter provided for witnesses in trial in the Dayton Municipal Court, which shall be taxed as costs.

M. Transcript of Testimony

The arbitrators shall be required to make a transcript of the proceedings before them. Any party desiring a copy of any transcript shall be provided with it by the reporter upon payment of the usual charge for transcripts. Proceedings shall be recorded by any means permitted by Sup. R. 11.

N. Report and Award

1. Within thirty (30) days after the hearing, the arbitrator shall file a written report and award with the Clerk of Court and, on the same day, shall mail or otherwise forward copies thereof to all parties or their counsel.

2. In the event that all three (3) members do not agree on the finding and award, the dissenting member shall submit a written dissenting opinion to be filed with the majority report.

O. Legal Effect of Report & Award/Entry of Judgment

1. The report and award shall become final thirty (30) days after its filing and the Court shall enter judgment in accordance therewith unless, within said thirty (30) day period, parties rejecting the report and award file amended pleadings conforming with subsection (2) of this rule. The filing of the amended pleading shall be the only recognized notification of rejection. The parties making such pleading amendments shall serve other parties pursuant to the Ohio Rules of Civil Procedure.
1. If the decision of the arbitration panel is not accepted by all parties thereto, the pleadings shall be amended to aver both the fact that the controversy was submitted to an arbitration panel and the decision of the arbitration panel. The decision of the arbitration panel and any dissenting opinion written by any panel member shall be admitted into evidence at trial upon offer of any party.
2. However, if a party files an application to vacate the award accompanied by a detailed affidavit(s) alleging one or more of the following:
 - a. That the findings of fact of the arbitration panel were clearly erroneous.
 - b. The decision is not in accordance with applicable law.
 - c. The procedures required for conducting the hearing and rendering the decisions were not followed fairly and properly with prejudice to a party, then upon such filing, the assigned judge shall schedule a hearing to inquire into the allegations thereof and determine the merits of the application.
3. If the application is granted, the pleadings shall not be amended to aver both the fact that the controversy was submitted to an arbitration panel and the decision of the arbitration panel, nor shall there be any cross-examination of the arbitrators.
4. If the application is denied, the decision of the arbitration panel and any dissenting opinion will be admitted into evidence upon the offer of any party and the opposing party may cross-examine the arbitrators.

P. Compensation of Arbitrators

1. Each associate arbitrator who has signed an award or files a minority report, unless that arbitrator waives compensation prior to the hearing, shall receive as compensation for services rendered the fee of two hundred dollars (\$200) for the first full day and one hundred dollars (\$100) for each half day thereafter. The arbitrator shall receive three hundred dollars (\$300) per day.
2. When more than one case arising out of the same transaction is heard at the same hearing or hearings, it shall be considered as one case insofar as compensation of the arbitrators is concerned.

3. The members of the panel shall not be entitled to receive their fees until after filing the report and award with the Clerk of Court.
4. Fees paid to arbitrators shall be assessed pursuant to O.R.C. 2711.21.

Q. Poverty Affidavit

1. In a claim accompanied by a poverty affidavit supported by written motion, the poverty claimant's share of arbitration costs will be borne by the Court.
2. The determination of poverty in any case will be made by the assigned judge prior to assigning the case to the permanent arbitrator.

R. Arbitration Costs

1. Plaintiff(s) shall pay a deposit of three hundred fifty dollars (\$350) to the Clerk of Court upon filing of a medical, dental, optometric, and/or chiropractic malpractice claim. Defendant(s) shall pay a deposit of three hundred fifty dollars (\$350) to the Clerk of Court upon filing an answer to a medical, dental, optometric, and/or chiropractic malpractice claim.
2. If there are multiple plaintiffs or defendants, each shall be required to deposit the sum of three hundred fifty dollars (\$350). If a poverty affidavit is filed and accepted by the Court, no deposit will be required. See subsection (4) below.
3. In the event the case proceeds to arbitration, each party's deposit will be applied to his portion of the arbitration expense.
4. Parties may file a poverty affidavit in lieu of cash deposit. Such affidavit is to be in such form as required by the Court. However, it is intended that poverty affidavits are not to be filed to avoid prepayment of court costs and will be subject to court review at any stage in the proceedings.
5. Refund of arbitration deposits will be made when appropriate.

Rule 3.10 – Civil Case Management Plan

- A. **PURPOSE:** The purpose of this rule is to establish, pursuant to Sup. R. 5(B)(1), a system for civil case management, which will achieve the prompt and fair disposition of civil cases.
- B. **SCHEDULING OF EVENTS:** The scheduling of a case begins when a civil case is filed. Thereafter the case is managed in three (3) clerical steps and five (5) judicial steps.
- C. **CLERICAL STEPS:**
 1. Summons shall be served in accordance with the Ohio Rules of Civil Procedure. In the event there is a failure of service, the Clerk of Court shall notify counsel immediately. If counsel fails to obtain service within six (6) months from the date the cause of action was filed, then the Clerk shall notify counsel that the case will be dismissed in ten (10) days, unless good cause is shown to the contrary.

2. If no action has been taken on a file for a six (6) month period and the case is not set for trial, then the Clerk shall notify the party that the case will be dismissed within ten (10) days, unless good cause is shown.
3. After any motion or responsive pleading to the complaint is filed, the Clerk shall immediately forward the file and all pleadings in the case to the Court Administrator for assignment by lot so the case can be scheduled for further hearings. All subsequently filed pleadings shall be immediately sent to the assigned judge for review. Faxed motions or pleadings will not be accepted for filing by the Clerk. A faxed copy of a motion or pleading must be followed by the original document within forty-eight (48) hours.

D. JUDICIAL STEPS:

1. Status Hearing: After an answer or other responsive pleading is filed, the case will be assigned to a judge and the Clerk will forward the information to the assigned judge. The judge, or magistrate if the case is referred, may then set a status hearing, which may be heard, in court or by telephone. The purpose of the status hearing is to set discovery and motion deadlines so a formal pre-trial can be set.
2. Motions: All motions must be in writing and accompanied by a written memorandum containing citations of authority and the arguments of counsel. Opposing counsel shall respond in like manner within fourteen (14) days. All motions will be deemed submitted at the end of said fourteen (14) day period unless time is extended by the judge or magistrate.
There will be no oral hearings granted in said motions unless the parties request an oral hearing in writing and the judge or magistrate deems it necessary.
3. Pre-trials: For the purpose of this rule, pre-trial shall mean a court-supervised telephonic conference chiefly designed to produce an amicable settlement. The judge or magistrate shall attempt to narrow legal issues, to reach stipulations as to facts in controversy; and, in general, to shorten the time and expense of trial.
 - a. Notice of the pre-trial conference shall be given to all counsel of record not less than fourteen (14) days prior to the conference. Any application for continuance of the conference shall be addressed to the judge or magistrate to whom the case has been assigned.
 - b. Counsel participating in the pre-trial conference must have complete authority to stipulate on items of evidence and must have full settlement authority.
 - c. If the case cannot be settled at pre-trial, then the case will be set for trial at the next available trial date.
4. Continuances: No party shall be granted a continuance of a trial or a hearing without a written motion from the party or counsel stating the reason for the continuance. When a continuance is for the reason that counsel is scheduled to appear in another case assigned for trial on the same date in the same or another trial court of this state, the

case which was first set for trial shall have priority and shall be tried on the date assigned. Criminal cases assigned for trial have priority over civil cases assigned for trial. The granting of any other request for continuance for a scheduled trial is a matter within the discretion of the trial court.

5. Judgment Entries: Counsel for the party in whose favor an order or judgment is rendered shall prepare a journal entry. That entry shall be submitted to opposing counsel within five (5) days of the decision. Opposing counsel shall approve or reject the entry within five (5) days. Within fifteen (15) days of the decision, the journal entry shall be submitted to the judge or thereafter the judge shall prepare the entry. Entries of settlement may be filed at any time. The avoidance of trial by settlement shall be allowed without the filing of an entry, but such entry shall be filed within thirty (30) days or the case will be dismissed for want of prosecution. The entry shall state which party will pay the court costs.
6. Default Judgment Entry: Where there is a default judgment, counsel of the prevailing party shall submit an affidavit of the specific nature of the damages claimed with the entry. Failure to do so will result in the court setting a damages hearing.

Rule 3.11 – Appointment of Special Process Server

- A. One-time Appointment: If a party desires personal service to be made by a special process server pursuant to Civ. R. 4.1, the party or counsel must file with the Clerk of Court an entry appointing a special process server. The following must be stated in the entry of appointment:

 2. That the person to be appointed as process server is eighteen (18) years of age or older;

A standing appointment shall be for no more than a two-year period ending on December 31st. Upon expiration of an appointment, a person must reapply. A person may be designated as a "standing special process server" for cases filed in the court by filing a combined affidavit and order. The affidavit shall set forth the following information:
 1. The name, address, and telephone number of the person to be appointed as standing process server;
 2. That the person is eighteen (18) years of age or older;
 3. That the person agrees not to attempt service of process in any case the server is a party or counsel for a party;
 4. That the person agrees to follow the requirements of the Ohio Rules of Civil Procedure 4 through 4.6, any applicable local rules, and any specific instructions for service of process as ordered by the court in individual cases.

- C. Form of Order for Standing Special Process Server: The Order shall be captioned, "IN RE THE APPOINTMENT OF (NAME OF PERSON REQUESTING APPOINTMENT) AS STANDING SPECIAL PROCESS SERVER", and state the following:
IT APPEARING TO THE COURT THAT THE FOLLOWING PERSON HAS COMPLIED WITH THE PROVISION OF LOCAL RULE 3.11, (NAME OF PERSON REQUESTING APPOINTMENT) IS HEREBY DESIGNATED AS A STANDING SPECIAL PROCESS SERVER AUTHORIZED TO MAKE SERVICE OF PROCESS IN ALL CASES FILED IN THIS COURT AND TO SERVE UNTIL DECEMBER 31, _____, OR FURTHER ORDER OF THE COURT, WHICHEVER COMES FIRST:
- D. Record of Appointment of Standing Special Process Server: The Clerk shall record such appointment on the court's general docket and shall retain the original affidavit and order. In any case thereafter, the Clerk shall accept a time-stamped copy of such an affidavit and order as satisfying the requirements of Civ. R. 4.1 for designation by the court of a person to make service of process.

Rule 3.12 – Notice and Order to Discharge Garnishee

When the total probable amount due on a judgment has been paid in full to the judgment creditor, the judgment creditor shall prepare a combined Notice and Order to Discharge the Garnishee in triplicate to be signed by the judge and filed with the court. The Notice and Order shall be served upon the garnishee and the judgment debtor, pursuant to R.C. 2716.041.

Rule 3.13 – Trusteeship Division

The application for the appointment of a trustee shall include a complete and accurate statement, under oath, of:

1. The debtor's name, address and marital status;
2. The name and address of his employer or employers;
3. The amount of the debtor's gross earnings per pay period (the debtor must supply the Clerk with copies of his or her last two paycheck stubs from each employer); and
4. The name and address of the creditor from whom the fifteen-day written notice of proceeding against his earnings was received.

Upon filing of an application, the Clerk shall become the trustee without formal order of the court. Objections of interested parties to the application shall be heard at the appearance call set by court. The filing of the application shall stay all proceedings against personal earnings of the applicant, provided that, if the order of attachment or the Order in Aid of Execution is served upon the employer or garnishee prior to the time of filing of the application, the personal earnings subject to the order of the court shall be paid to the Clerk of Court for distribution in the case of which said order was made. In the event the application is filed, prior to the time the order of attachment or Order in Aid of Execution is served upon the employer or garnishee, the personal earnings subject to the order of the court shall be ordered paid to the trustee.

- A. At the time of filing the application, the debtor or his/her attorney shall also complete for the Clerk:

Additional creditors may be listed in the trusteeship upon the application and service of a notice to each additional creditor as heretofore provided.
 3. Separate notice of the time and place of the Magistrate's hearing will be sent to the parties by the Magistrate's office.
- B. Distribution: The trustee shall make no distribution to anyone except a creditor or an attorney for the creditor. Credit Bureaus or Credit Collection Services are not to receive a distribution unless it is a valid claim of the Collection Service and not that of an agent. The Clerk or deputy appointed shall supervise payments of debts and distribute the funds in each case at least every six months unless the amount available does not equal 25% of the claims listed. When a debtor pays directly, the Clerk shall require the debtor to produce payroll stubs or similar records and the Clerk may refuse to accept payments, or installments thereof which do not equal the amount required by law. The Clerk may not accept payments into a trusteeship where the debtor pays direct unless the tender of payments is made by the debtor, his agent or attorney within four days after the receipt of the personal earnings by the debtor. If the payments are not made for thirty days, the trusteeship shall be dismissed and the proceeds distributed. This requirement can be waived only by the Court.
- C. Dismissal: The dismissal of a trusteeship by rule of court or upon motion of counsel for one of the creditors listed therein shall make the debtor filing of said trusteeship ineligible for reinstatement or refiling an application for another trusteeship for a period of six months from the date of the dismissal; provided, however, that such trusteeship be reinstated upon the tender and payment to the Clerk of Court as trustee the amount of money required by law to make such trusteeship current to the date of such tender, if the approval of the Court is first obtained.

Rule 3.14 – Mediation

- A. The Dayton Municipal Court has determined that parties in civil, small claims and eviction cases benefit from having their cases mediated. Whenever possible, the Court shall provide parties willing to mediate their cases with access to mediation services.
- B. The Judges or Magistrates shall determine which cases should be mediated and refer those cases to mediation. Center that is available through the Dayton Municipal Court website:
“www.daytonmunicipalcourt.org”.

- C. Mediation services shall only be provided by qualified individuals. All parties shall be allowed to participate in the mediation and, if they wish, their attorneys or other designated individuals may accompany them and also participate. The mediator shall keep mediation communications confidential, unless the parties consent to disclosure in writing. The efforts of the mediator shall not be construed as giving legal advice.
- D. The mediator may reject or terminate mediation at any time if the mediator finds the case inappropriate or the parties do not cooperate. The mediator shall inform all parties and the Court that the mediation is terminated using the procedure required by the Court. The case shall then be scheduled for trial before the Magistrate or Court.
- E. On Eviction cases, the parties shall discuss the First Cause for Restitution and the Second Cause for back rent and damages. The mediator shall prepare and file a written Mediated Agreement on the First Cause for Restitution and on the Second Cause for Damages. The owner/landlord shall file a motion requesting an Entry Granting Restitution and a Writ of Restitution if the defendant (tenant) fails to comply with the Mediated Agreement for restitution of the premises. The owner/landlord shall request a Conversion Hearing to convert the Mediated Agreement into a Judgment if the defendant (tenant) fails to pay the agreed damages or comply with the Mediated Agreement on the Second Cause. - F. On Civil and Small Claims cases, the mediator shall prepare a written Mediated Agreement reflecting any settlement reached by the parties, including the amount of damages. - To determine the conditions and terms of a protection order;
- To determine the penalty for violating a protection order.

Starting November, 1, 2011, the Court shall charge a mediation service fee of \$10.00 on the filing of each eviction and small claims case, in addition to other court costs, pursuant to R.C. 1901.26(B).
